

PRINTING AND DUPLICATING SERVICES

In compliance with Public Law 94-553, copyrighted materials shall not be duplicated by LEARN employees or on LEARN equipment in violation of the exclusive rights of the holders of the copyright on such materials.

Copyrighted materials may be duplicated with the prior written permission of the copyright holder, or where the duplication constitutes a "fair use" of the materials as that term is defined by law.

LEARN assumes no liability for infringement of copyright by individual employees.
