Program Information

- Formerly the FLI Program
- An intensive counseling program designed to support the emotional needs of at-risk general education and special education students
- Program was part-time last school year
- Full-time clinician at the high school

Services

Individual Counseling:

- Scheduled weekly session (30-40 mins) during the school day
- Notifications via email of when sessions are occurring
- Students should check into class first and then come to session
- Students are responsible for any work missed during session

Family Counseling:

- Frequent parent contact and monthly parent/family meetings

Referral Process

- Maximum caseload of 15 students
- All referrals will come through I&RS
- Referrals must be approved by Director of Student Services and CREW Counselor
- If you have concerns for non-CREW students, check in with guidance, CST, and/or I&RS first

Confidentiality

- All referrals and sessions are confidential
- You will know if a student is in CREW, but not why
- Student participation is confidential to other students
- Please use discretion when sending students to room 406
