

WANTAGH 6-12 ASSOC. PLANT SALE

March 2022

Dear Parents and Staff,

The 6-12 Association is bringing its plant sale back this spring. We will be taking pre-orders of all your potted plants and flats for your garden through this order form. The plants will be delivered to the high school and will be available for pick up outside the main doors starting at 5pm on Thursday, May 5th. We will have extra plants to choose from that evening, but we urge you to place an order to ensure you get the type(s) of plants you want.

We are offering a wide variety of healthy plants at very low prices, including flats of 24 plants for only \$18.00! We are also selling flowers in 4½” pots, single variety, organically grown vegetable plants and herbs in 3½” pots and beautiful 10” hanging baskets (these make terrific gifts for Mother’s Day). When ordering flats, please note that the colors cannot be mixed.

Please return this entire form to the **Main Office of the Middle School** or the **Main Office of the High School** and enclose a check made out to “Wantagh 6-12 Association” by **Wednesday, April 13th**. If you have any questions, please contact **Danielle Fehling-Wasnieski at (516) 661-1498 or dcfw1271@verizon.net**.
