- Strongly Disagree

There are several ways the district will fund these facilities projects. One method will be borrowing through a bond that will be used to complete many o...l projects you would like to see the district use?

281 responses

I have reviewed the proposed projects and understand that there are two referendums being considered. A large infrastructure project to replac...ngent upon approval of the infrastructure project.

280 responses

I would support a bond referendum that can be done with no impact on the tax levy by replacing retiring debt that currently exists with new borrowing the expiration of current debt service payments.

280 responses

I would support a plan to upgrade existing facilities that may have a minimal tax levy increase of less than \$190 annually on the average home, so that... fields in addition to the infrastructure projects.
