Dear Parent or Guardian:

New York State Education Law requires a health examination for all students **entering the school district for the first time and when entering Kindergarten, 1st, 3rd, 5th, 7th, 9th, and 11th grades.** A copy of the NYSED Student Health Examination Form is enclosed in this packet.

A dental certificate which states your child has been seen by a dentist or dental hygienist is also asked for at the same time.

Students who do not return the completed form will be scheduled to see the school's physician for a physical exam.

Thank you for your cooperation in the above matter.

Sincerely,

Health Services
