Open house will be Friday, August 5th (Times TBA)

Students MAY have a backpack or draw string bag

We will not have a required summer reading book this year. However, we do STRONGLY encourage everyone to select an AR book or books while you are away from school that you will enjoy. Any public library can help with that. It's always more fun when we can choose for ourselves. All students will have an opportunity to take AR tests on these books in the first few weeks of school to earn incentives. Out of uniform passes can be earned for passing at least 1 AR test on summer reads (at least 85% accuracy & must be at least a 2 point book).
