ROCKETS READ TOGETHER

This summer you should read as **MANY BOOKS** as you can!

Here's why:

- It helps develop your interests.
- It enhances your vocabulary.
- It makes you a better writer.
- It relaxes you and can reduce stress.

Be Courageous

As students at Rapides Academy, you are required to read either *Hoot* by Carl Hiaasen or *Stargirl* by Jerry Spinelli. To create a community of readers, Rapides Academy will use the One Book, One School approach to summer reading - with a little twist - we are giving you a choice out of two books with a common theme to “Be Courageous”. This means that all of our faculty and staff - our entire school family - will be reading one of these books. We would like for parents to join in on the reading fun as well!

As a culmination of our summer reading adventure, we will celebrate a “Have Courage Day” on Friday, September 3rd. We have many great activities planned for this day!

You can purchase *Hoot* or *Stargirl* on [amazon.com](https://www.amazon.com) or check one of them out from your local library.
