**The safety of our students is our priority!** Please help us keep them safe by following these instructions for morning drop offs and afternoon pick ups. Please enter using the north drive, loop around the back of the school. Continue in front of the stadium and follow the drive along the north side of the high school to drop off high school students. Continue along the drive to circle around to the junior high to drop off junior high students. Please pull as far forward as you can before picking up or dropping off your student. Exit back onto Jackman Road using the same drive that you entered on. Please do not drop off in front of the school.

Thank you for your cooperation and patience!
