BPS TEST-TO-STAY OPTION PROTOCOL

(EFFECTIVE JANUARY 12, 2022)

LOCATION: Bedford Senior High School Competitive Gym (Labeled Old Gym on Map)

DATE: Monday-Friday (Following the school calendar)

TIME: 7:30-8:15 am

Testing Procedures:

- Enter the high school campus using the South Parent Drop-off Loop off of Dean Road on the southern side of campus. There is parking within the loop and in the lot adjacent to the loop.
- Enter the high school building via the South Competitive (Old) Gym/Athletic Office Entrance. From Dean Road you can see a large B with lightning bolts. The doors are also the closest to the loop and the entryway has small white tiles above the doors.
- Proceed through the atrium to the gym. There are rugs that go to the gym door.
- Once inside the gym, staff will conduct the testing. Parents and students can wait in the bleachers. Please use social distancing while you wait for test results.
- Staff will verify the consent form is signed and then supervise and complete the rapid COVID test. Students or parents will be asked to use the cotton swab to swab their own nose.
- Once test results are completed, parents will receive a Test Verification. You, or your student, will turn the Test Verification into your school office demonstrating that testing was completed.

Additional Information:

- Parent or a legal guardian must be present during the testing.
- A signed copy of the permission slip must be completed and turned in.
- For younger students, parents will be doing the swabbing of the child's nose.
- This [Map of BHS](#) will assist parents in locating the correct testing location.
- Please park in a parking space and not in the marked driving areas. If the parking areas in the loop are full, other parking is available but may require additional walking.
- Please remember that the high school is in session. Parents and younger students will not be able to walk through the school to get to the testing area.
