

## **JACKMAN ROAD ELEMENTARY PTO**

**What does the PTO do?** The Parent Teacher Organization here at Jackman Road Elementary helps support your student(s) all year long. Through your support and many fundraising opportunities, we are able to provide many programs, field trips, and events. We love to reward our students with things like bounce houses for meeting AR goals and having special assemblies throughout the year. In addition, we show much deserved appreciation to our teachers and staff with things like lunches and extra supplies/resources for their classrooms.

**What did the PTO do in 2021-2022?** We had two very successful book fairs, helped provide an appreciation breakfast to the district bus drivers, and gave teachers and staff a week-long appreciation celebration. In addition, we were able to purchase a new gaga ball pit for the playground, continue to provide each student with a new book during their birthday month, and fund several enrichment assemblies. These are just some of the things the JRE PTO helped to provide last year.

**What can you do to help?** We would love to have you join our monthly meetings. We discuss upcoming events, fundraising ideas, and volunteer opportunities. Our meeting schedule is on the back of this paper. Can't make a meeting? Like our Facebook page for updates. We will also be sending home newsletters. You can also purchase a PTO membership, enroll in several of our rewards programs, and purchase spiritwear.
