

MONROE ROAD ELEMENTARY SCHOOL

Dismissal Traffic Flow

The safety of our students is our priority! All 1st-5th grade students should be picked up in the loop. Please do not park and walk up to get them. For loop pick-up, please enter and turn right into the parking area. Follow the painted diamonds around northern perimeter of the parking area before entering the front circle area in front of the school. Follow the directions of the staff to proceed forward to the designated pickup area.

Young 5s/Kindergarten parents should use the parking lot or the grassy area north of the gravel drive to park. Please do not park anywhere along the circle or its driveway. Staff will bring students out to you from the double doors on the north side of the gym. To exit from the parking lot, please depart using the exit closest to Monroe Road or use the gravel drive to avoid the front circle area traffic. Thank you for your cooperation and patience! Young 5/Kindergarten students can be picked up early at 1:55 pm. Since you are already parked to get your Y5/K child, you can also pick up older children, too, without needing to go through the loop.
