The safety of our students is our priority! Please help us keep them safe by following these instructions for morning drop offs and afternoon pick ups. Please enter and turn right into the parking area. Follow the painted diamonds around northern perimeter of the parking area before entering the front circle area in front of the school. Follow the directions of the staff to proceed forward to the designated pickup area.

Anyone parking should use the parking lot and not park anywhere along the circle or its driveway. To exit from the parking lot, please depart using the exit closest to Monroe Road and not enter the front circle area. Thank you for your cooperation and patience!
