---

As a result of the tragic event at Robb Elementary School in Uvalde, Texas today, Monroe County Sheriff Troy Goodnough would like to make the public aware of increased police presence at all Monroe County schools beginning Wednesday, May 25, 2022.

The safety of our schools, children and citizens remain a priority, therefore the Monroe County Sheriff's Office, in conjunction with the Michigan State Police, Monroe City Police Department, Monroe County Intermediate School District and all local law enforcement agencies will be collaborating efforts to provide increased patrols at all Monroe County schools throughout the end of the school year. It is the mission of law enforcement and school officials to ensure a safe and secure environment for all students and citizens.

Although Monroe County Law Enforcement has not received any threats targeting Monroe County schools, it is important that citizens and children be aware and remain vigilant and cautious.

Sheriff Goodnough reminds the public to immediately report any information or suspicious activity to law enforcement, or through the OK2SAY- Michigan Student Safety Program. Information and tips can be submitted directly through phone, text, email or on-line at [www.michigan.gov/ok2say](http://www.michigan.gov/ok2say).
