Nondiscrimination

The Waterford Board of Education (the “Board”) complies with all applicable federal, state and local laws prohibiting the exclusion of any person from any of its educational programs or activities, or the denial to any person of the benefits of any of its educational programs or activities because of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status subject to the conditions and limitations established by law.

It is the policy of the Board that any form of discrimination or harassment on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, veteran status or any other basis prohibited by state or federal law is prohibited, whether by students, Board employees or third parties subject to the control of the Board. The Board’s prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics. It is also the policy of the Board to provide for the prompt and equitable resolution of complaints alleging any discrimination or harassment on the basis of protected characteristics such as race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status.

For the purpose of this policy, “veteran” means any person honorably discharged from, released under honorable conditions from or released with an other than honorable discharge based on a qualifying condition from active service in, the United States Army, Navy, Marine Corps, Coast Guard and Air Force and any reserve component thereof, including the Connecticut National Guard. “Qualifying condition” means (A) a diagnosis of post-traumatic stress disorder or traumatic brain injury made by an individual licensed to provide health care services at a United States Department of Veterans Affairs facility, (B) an experience of military sexual trauma disclosed to an individual licensed to provide health care services at a United States Department of Veterans Affairs facility, or (C) a determination that sexual orientation, gender identity or gender expression was more likely than not the primary reason for an other than honorable discharge, as determined in accordance with Conn. Stat. Stat. §§ 27-103(c),(d).

For the purposes of this policy, "gender identity or expression" means a person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is a sincerely held part of a person's core identity and not being asserted for an improper purpose.

For the purposes of this policy, “race” is inclusive of ethnic traits historically associated with race, including but not limited to, hair texture and protective hairstyles. “Protective hairstyles” includes, but is not limited to, wigs, headwraps and hairstyles such as individual braids, cornrows, locs, twists, Bantu knots, afros and afro puffs.
