Waterford Recreational Basketball is excited to offer two levels of play this season
Recreational for Grade 4-8 & Travel for Boys & Girls in Grades 6-8

Recreational Play: Boys & Girls - Grades 4-8

Travel Play: Boys & Girls - Grades 6-8

Travel Teams will be formed prior to recreational evaluations and (1) team will be formed for each grade to represent Waterford in the Connecticut Basketball Conference (CBC). Travel players will be required to participate on our Recreational Teams to ensure the league numbers are not impacted.

Recreational & Travel teams will have weekday practices & weekend games. Practices and games will be coordinated the best we can to avoid scheduling impacts. Team schedules will be shared with player families following team drafts.
