

Dear Waterford High School Families,

This is just a friendly reminder that the Waterford High School open house is this Thursday. The evening starts at 5:30 pm, and you should report to the high school auditorium. The administration team will address all of the parents in attendance and provide an overview of the event before dismissing you to your child's Advisory classroom at 6:00 pm. The rest of the evening will be an open-house format event until 7:30 pm. Teachers and counseling staff will be in classrooms or other meeting locations for you to visit, and we will also have representatives from both the Waterford Youth and Family Service Bureau and UCFS on hand should you be interested in inquiring more information about their services.

To help you make the most of the evening, you should come with a list of your child's classroom teachers and their Advisory teacher. The easiest way to do this is to log on to the PowerSchool parent portal, which will list them all, but we will also be able to assist you with looking up your child's schedule if needed when you arrive at Back to School Night. We will have paper copies of student schedules and lists of teacher room locations available for you to pick up as well.

And don't forget, our first Parent's Advisory Coffee will be Tuesday, Sept. 27, at 7:30 am in the Library Reading Room. I hope you can join us then for a cup of coffee and conversation about the start of the school year.

Go Lancers!
