

## Request for Proposals – Camden County School System

**Project Name:** Harrell Learning Center (fka Coastal Academy) Gutter/Downspout Improvements

The Camden County School system is accepting proposals for gutter improvements using 24ga. Prefinished galvalume 6" Box Gutters and 4"x 4" downspouts. The below outlines the project:

- Removal of existing damaged gutters and downspouts
  - (Approx. 180 linear feet and 5 downspouts)
- Disposal of all removed materials and any other debris.
- Furnish and install box gutters and downspouts as described above.
- Downspouts must be installed and connected to drainage system in place.
- Warranty for materials and workmanship for at least one year.

Other Items that must be included in the proposal:

1. If you have serviced Camden County Schools (Georgia) in the past, please include this in the proposal with the dates of service with Camden County Schools.
2. The proposal must include a timeline for the project beginning with material order date to completion date.

Proposals are being accepted by Camden County Schools beginning Friday, October 21, 2022 at 1:00 pm until Friday, November 4, 2022, at 2:00 pm eastern time.

All questions about the project can be sent via email to Pennie Davis, Director of Operations & Maintenance, and Joseph Sloan, Maintenance Supervisor; [pdavis@camden.k12.ga.us](mailto:pdavis@camden.k12.ga.us) and [jsloan@camden.k12.ga.us](mailto:jsloan@camden.k12.ga.us). All proposals will be received via email as an electronic document. Proposals received after this date and time will not be considered.

Proposals mailed or hand delivered must also be received by Friday, November 4, 2022 at 2:00 pm.

Proposals should be prepared for Pennie Davis, Director of Operations & Maintenance and emailed to [pdavis@camden.k12.ga.us](mailto:pdavis@camden.k12.ga.us).

There is no commitment to accept any proposal. The superintendent or designee reserves the right to reject any or all proposals and to waive technicalities and informalities. Any questions should be directed to Dr. Pennie Davis via email.
