

1

Know the password!

To access GALILEO resources, you will need your school's password. Write it here in the circle so you don't forget.

MY PASSWORD:

.....

2

Go to the GALILEO website.

Using any search engine, type: galileo.usg.edu. On the homepage, you will see a "welcome to GALILEO" message and a log-in box. Type your school's password into the log-in box.

3

Pick your view.

There are three school views: Kids, Middle School and High School. Pick the view that corresponds to your student's age and grade level.

Need help?

If you're having trouble, select the "contact" button on the homepage, and then send us your question.

Featured resources for grades K-5:
