THIS AGREEMENT IS MADE AND ENTERED INTO ON THIS 16th day of February, 2018 by and between the TORRINGTON BOARD OF EDUCATION ("Hereinafter referred to as the Board") and the TORRINGTON EDUCATION ASSOCIATION ("Hereinafter referred to as the Association") affiliated with the Connecticut Education Association and the National Education Association.

**ARTICLE 1**  
**PREAMBLE**

- A. This Agreement is negotiated pursuant to Connecticut General Statutes, Sections 10-153a to 10-153g, inclusive and as amended from time to time.
- B. The Board and the Association recognize the importance of responsible participation by the entire professional staff in the educational process. To this end they agree to maintain communication, to inform, to guide in the development of programs, and to assist in research, planning, implementation and evaluation of these programs.

**ARTICLE 2**  
**RECOGNITION**

- A. The Board recognizes the Association for purposes of professional negotiation as the exclusive representative of a unit consisting of all certified professional employees of the Torrington School System who are employed in positions requiring a teaching or other certificate from the State Board of Education and are not included in the administrators' unit or excluded from the purview of sections 10-153a to 10-153n of the general statutes: including long term or permanent substitutes but excluding temporary substitute teachers and aides. Unless otherwise indicated, the employees in the above unit shall be hereinafter referred to as "teachers."
- B. For the purpose of this article a long term substitute is defined as a teacher who currently holds a Connecticut certification endorsement in the subject area and grade for which he is to teach as a substitute for more than forty (40) school days in the same assignment and in the same district.
- C. The determination and administration of educational policy, the operation of the schools, and the direction of the professional staff are vested exclusively in the Board or in the Superintendent when so delegated by the Board as set forth by the State Statute Section 10-220; 221, and such others as apply.
- D. Teachers will be entitled to full rights of citizenship and no religious or political activities of any teacher (provided such activities do not take place during working hours) or the lack thereof will be grounds for any discipline or discrimination with respect to the professional employment of such teacher. The Association agrees to represent equally, all certified personnel without regard to membership or participation in, or association with the activities of the Association or any other employee organization.

**ARTICLE 3**  
**PROFESSIONAL NEGOTIATIONS**

The Board agrees to negotiate with the Association over a Successor Agreement in a good faith effort to reach agreement with respect to teachers' salaries and other conditions of employment, all in accord with Section 10-153d-10-153g of the Connecticut General Statutes as it may be amended from time to time.

**ARTICLE 4**  
**SEVERABILITY**

In the event that any provision or portion of this Agreement is ultimately ruled invalid for any reason by an authority of established and competent legal jurisdiction, the balance and remainder of this Agreement shall remain in full force and effect.

**ARTICLE 5**  
**GRIEVANCE PROCEDURE**

**A. Definitions**

- 1) A grievance shall mean a complaint by a teacher or group of teachers 1) That there has been as to him/her or them a violation or inequitable application of any of the provisions of this contract, or 2) That he/she or they have been treated inequitably by reason of any act or condition which is contrary to established School System policy or practice governing or affecting employees, except that the term "grievance" shall not apply to any matter as to which the School Board is without authority to act.
- 2) An "aggrieved person" is the person or persons making the claim.
- 3) A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim. The Board of Education and the Association shall be considered "parties in interest" for the purposes of Article 5.

**B. Purpose**

- 1) The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
- 2) Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration.

## **C. Procedure**

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximal and every effort should be made to expedite the process. The time limits specified may, however, be extended by written mutual agreement.

In the event a grievance is filed on or after June 1 which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable. A form for filing and processing grievances shall be prepared and approved jointly by the Association and the Superintendent and be made available through the Association. The grievance form will be included in Appendix D.

### 1) **Level One**

A teacher with a grievance shall discuss it with the principal or immediate supervisor, either directly or through the Association's School Representative, with the objective of resolving the matter informally. Documentation shall reflect that this is a Level One Grievance Meeting.

### 2) **Level Two**

- a) If the aggrieved person is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered within ten (10) school days after presentation of the grievance, he/she may file the grievance in writing with the Chairman of the Association's Committee on Professional Rights and Responsibilities (hereinafter referred to as the "PR&R Committee") who shall, within ten (10) school days after the decision at Level One or, if no decision was rendered, then within twenty (20) school days after the grievance was presented at Level One, file it, in writing, with the Superintendent of Schools.
- b) The Superintendent shall represent the administration at this level of the grievance procedure. He may meet or otherwise confer with the aggrieved person in an effort to resolve the grievance but, in any event, shall render a decision thereon, in writing, within fifteen (15) school days after his receipt of the written grievance.
- c) If a teacher does not file a grievance in writing with the Chairman of the PR&R Committee and the written grievance is not forwarded to the Superintendent within thirty (30) school days after the teacher knew or should have known of the act or condition on which the grievance was based, then the grievance shall be considered as waived. A dispute as to whether a grievance has been waived under this paragraph shall be subject to arbitration pursuant to Level Four.

- 3) **Level Three** If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within fifteen (15) school days after the receipt of the written grievance by the Superintendent, he/she may file the grievance in writing with the Chairman of the PR&R Committee who may, upon consideration of the

merits of the grievance, within ten (10) school days after the decision at Level Two or, if no decision was rendered, then within twenty (20) school days after the written grievance was filed with the Superintendent, file it, in writing, with the Board. Within fifteen (15) school days after receiving the written grievance, the Board, or its designated Committee, shall meet with the aggrieved person for the purpose of resolving the grievance. Any decisions concerning the grievance at Level Three shall be rendered, by the Board or its said Committee, within fifteen (15) school days after said meeting with the aggrieved person.

4) **Level Four**

- a) If the aggrieved person is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within fifteen (15) school days after the first meeting with the Board, the aggrieved person may request in writing that the Chairman of the PR&R Committee submit the grievance to arbitration. If the PR&R Committee determines that the grievance is meritorious, that it involves the interpretation, meaning or application of any of the provisions of this Agreement, and that submitting it to arbitration is in the best interests of the Torrington School System, it may, by written notice to the Board, submit the grievance to arbitration within fifteen (15) school days after receipt of the decision at Level Three. Grievances which do not involve the interpretation, meaning or application of any of the provisions of this Agreement may be processed through Level Three, but shall not be arbitrable.
- b) Within ten (10) school days after such written notice of submission to arbitration, the Board and the PR&R Committee shall agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or obtain such a commitment within the specified period, a request for a list of arbitrators shall be made by either party to the American Arbitration Association (AAA) or other mutually agreed upon dispute resolution agency. The parties shall be bound by the rules and procedures of the AAA or other mutually agreed upon dispute resolution agency in the selection of an arbitrator.
- c) The arbitrator so selected shall hold hearings, gather relevant facts and render a decision in accordance with AAA's Voluntary Labor Arbitration Rules or those of another mutually agreed upon dispute resolution agency. The arbitrator's decision shall be in writing and shall set forth findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which violates the terms of this Agreement. Arbitration of grievances involving the interpretation, meaning or application of any of the provisions of this Agreement, shall be final and binding, except as otherwise provided by law.
- d) The costs for the services of the arbitrator, per diem expenses, if any, and actual and necessary travel and subsistence expenses, shall be borne equally by the Board and the Association.

**D. Rights of Teachers to Representation**

- 1) No reprisals of any kind shall be taken by either party or by any member of the administration against any party in interest, any School Representative, any member of the PR&R Committee or any other participant in the grievance procedure by reason of such participation.
- 2) Any party in interest may be represented at all stages of the grievance procedure by a person of her/his own choosing, except that a bargaining unit member may not be represented by a representative or by an officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

**E. Miscellaneous**

- 1) If, in the judgment of the PR&R Committee, a grievance affects a group or class of teachers, the PR&R Committee may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall commence at Level Two.
- 2) Decisions rendered at Levels One, Two and Three of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Chairman of the PR&R Committee. Decisions rendered at Level Four shall be in accordance with the procedures set forth in Section C., Paragraph 4 (c).
- 3) All documents, communications and records generated after the filing of the grievance, including the grievance form itself, and dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 4) The sole remedy available to any teacher for any alleged breach of this Agreement or any alleged violation of his rights hereunder shall be pursuant to the grievance and arbitration procedure, provided, however, that nothing contained herein shall deprive any teacher of any legal right which is presently held.

**ARTICLE 6**  
**PROTECTION OF TEACHERS**

- A. Teachers shall report immediately in writing to their Principal and to the Superintendent all cases of assault suffered by them in connection with their employment.
- B. Such report shall be forwarded through the Superintendent to the Board which shall comply with any reasonable request from the teacher for information in its possession not privileged under law which relates to the incident or the persons involved.

- C. In order to promote a positive and constructive school climate, the parties mutually agree to carry out their respective responsibilities under this agreement in a professional and respectful manner.

**ARTICLE 7**  
**NO STRIKE**

No certified professional employee shall, in an effort to effect a settlement of any disagreement with the employing board of education engage in any strike or concerted refusal to render services. (Section 10-153e)

**ARTICLE 8**  
**CLASS SIZE**

The Board will make every effort to maintain the following class sizes and teacher loads subject to such limiting factors as availability and adequacy of facilities, personnel, and monetary resources:

- a) The maximum enrollment in K-5 classes shall be no more than twenty-five (25) pupils.
- b) Classes containing more than thirty-three percent (33%) of identified special education students shall be limited to twenty (20) pupils.
- c) Middle school teachers shall be responsible for not more than one hundred and twenty-five (125) pupils per grading period.
- d) High school class size will be twenty-seven (27) or fewer, with the exception of performing ensembles or JROTC. High school teachers shall be responsible for not more than one hundred and twenty-five (125) pupils per grading period.
- e) Every effort shall be made to equitably distribute student counts among grade level teams and departments.
- f) Student counts at both the middle and high school would be exclusive of band, orchestra and /or chorus experiences or any type of flex or enhancement period.
- g) Classes based on student performance should be distributed to teachers on an equitable basis.
- h) The foregoing standards enumerated in this Article are subject to modification for educational purposes such as the promotion of specialized or experimental instruction or for temporary classes such as split grade classes or one-semester courses.

- i) Teachers teaching six (6) classes shall be compensated according to the following formula:
  - i. Quarter course = 0.05 x the teacher’s base salary
  - ii. Semester course = 0.1 x the teacher’s base salary
  - iii. Full-year course = 0.2 x the teacher’s base salary
- j) Guidance counselors shall not be assigned a duty. Guidance counselors shall use such time to fulfill professional responsibilities.

**ARTICLE 9**  
**HEALTH AND LIFE INSURANCE**

A. All teachers regularly assigned to work more than half time shall be entitled to elect coverage for themselves and their dependents under one of the health insurance plans described below. Each teacher shall be subject to the cost sharing provisions and other limitations or restrictions applicable to the medical program selected as set forth in the following sections:

1. High Deductible Health Plan/Health Savings Account (“HSA Plan”)

The sole Health insurance for teachers will be provided through a High Deductible Health Plan/Health Savings Account (“HSA”) plan, as set forth below.

The HSA plan shall include the following components:

	In-Network	Out-of-Network
Annual Deductible (individual/aggregate family)	\$2,000/4,000	
Co-insurance	N/A (See RX Copay below)	20% after deductible up to co-insurance maximum
Co-insurance Maximum (individual/aggregate family)	\$3,000/6,000	
Cost Share Maximum (individual/aggregate family)	\$5,000/10,000	
Lifetime Maximum	Unlimited	Unlimited
Preventive Care	Deductible not applicable	20% co-insurance after deductible, subject to co-insurance limits
Prescription Drug Coverage	Treated as any other medical expense, subject to the post-deductible co-payments set forth below.	

Following exhaustion of the deductible, prescription drugs shall be subject to post-deductible co-payments of \$0/25/40 (retail), and a two times co-payment for mail order.

For the 2018-19 contract year, the Board will deposit into the teacher’s HSA account one thousand dollars (\$1,000) for single coverage and two thousand dollars (\$2000) for two person or family coverage if the teacher selects HSA-HDHP coverage. In the 2019-20 and 2020-21 contract years, the Board will deposit nine hundred dollars (\$900) for single coverage and one thousand eight hundred dollars (\$1,800) for two person or family coverage.

One-half of the Board’s contribution toward the HSA plan deductible will be deposited into the HSA accounts in September, and the remaining one-half of the Board’s contribution will be deposited into the HSA accounts in January.

Each of the above scheduled deposits shall be made on the first business day of each stated month. The HSA accounts shall be held at the Torrington Municipal and Teachers Federal Credit Union.

If a teacher voluntarily terminates his or her employment with the Torrington BOE prior to the start of the teacher’s school year, the teacher may be held liable to repay an amount equal to the BOE’s contribution to the teacher’s HSA.

The parties acknowledge that the Board’s contribution toward the funding of the HSA plan is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for actively employed teachers. The Board shall have no obligation to fund any portion of the HSA deductible for retirees or other individuals upon their separation from employment.

Health Reimbursement Account: A Health Reimbursement Account (“HRA”) shall be made available for any teacher enrolling in the HDHP who is precluded from participating in a Health Savings Account (“HSA”) because the teacher receives Medicare and/or veterans’ medical benefits. The annual maximum reimbursement by the Board for teachers participating in the HRA shall not exceed the dollar amount of the Board’s annual HSA contribution for teachers enrolled in the HSA.

The Board and each teacher shall pay the following percentage of the premiums for the HDHP/HSA plan:

	<u>2018-19</u>	<u>2019-20</u>	<u>2020-21</u>

3. The Board will provide payroll deduction for the NEA Long Term Care Insurance Policy. The total premium cost of such policy shall be borne by the teacher.
4. The Board shall adopt an Internal Revenue Code Section 125 pre-tax premium conversion account for teachers so that their health insurance premium payments may be made from pre-tax compensation.
5. Teachers who do not desire to participate in the above-mentioned plans shall so indicate each September by signing a waiver form which can be obtained from the Superintendent's office.
6. The benefits mentioned herein shall be effective until September 30 for any teacher who retires in June of the same year.

The impact of the excise tax is scheduled to take effect in 2020.

Should any Federal statute or regulation pertaining to IRC §4980I be mandated to take effect in the 2019-2020 or 2020-21 contract years triggering the imposition of an excise tax with respect to any of the contractually agreed upon insurance plans offered herein, the parties agree to commence mid-term negotiations on the excise tax in accordance with the Teacher Negotiation Act. Such negotiations shall be limited solely to the distribution of payment of the excise tax, insurance plan offerings, coverage, design, and premium cost share. Other negotiated subject matters shall not be subject to this reopener provision.

**ARTICLE 14**  
**MATERNITY LEAVE AND CHILD REARING LEAVE**

**A. Maternity Leave**

A teacher who becomes sick or disabled due to pregnancy or childbirth shall, upon her request, be placed on sick leave for childbearing purposes. Leave shall begin when, in the

opinion of her doctor, she is no longer physically able to work and said leave shall expire when, in the opinion of her doctor, she is physically able to return to work. Teachers who anticipate using this form of sick leave should notify the Superintendent as far in advance of the anticipated commencement date of leave as possible. Except in the case of medical difficulties, sick leave is not normally expected to continue for more than six (6) weeks after delivery.

**The following paragraph describes only benefits provided under the Federal Family and Medical Leave Act. If such act is changed or eliminated this provision will immediately change to reflect current law.**

Note that a non-tenured teacher who takes child-rearing leave for longer than 90 days loses their accumulated time toward tenure.
- 2) All benefits to which the teacher is entitled shall be restored upon the teacher's return.
- 3) The teacher shall be assigned to the position held at the time the said leave began, if possible, or to an equivalent position.

#### **C. Adoption Leave**

Up to six (6) weeks of accumulated sick leave may be used by a teacher for the adoption of a child under the age of five (5). If both parents are employed by the Torrington Board of Education, the maximum combined leave to be taken by both parents is six (6) weeks. The two parents may allocate the six weeks between themselves as they see fit. However, each employee must have accumulated sick leave equal to or greater than the amount of leave to be taken. Step-parent adoptions are excluded from this provision.

- D. An employee may continue in the fringe benefit group at his/her own expense with approval of the Superintendent.

**ARTICLE 17**  
**CONFERENCE LEAVE**

On recall, the teacher will have all of his or her pre-layoff accumulated sick leave credits reinstated, but time spent on layoff will not be counted for any purpose except as otherwise provided in this paragraph.

**Levels of Salary Scale Defined**

**A. Ranges Based on Experience**

Under the schedule, the salary range for each teacher is determined in part by the amount of his professional experience. Regular increments as set under the schedule are granted for each step shown on said schedule.

**B. Ranges Based on Training**

- 1) Under the schedule, a teacher's salary is determined also by professional training. The proposed schedule makes provision for four groups: four years of academic work with a bachelor's degree; a fifth year level with a master's degree or thirty hours of approved graduate work beyond a bachelor's degree; a master's degree plus fifteen graduate credits in a planned program; a sixth year level with a professional certificate or a second master's degree.
- 2) Notwithstanding the provisions of Paragraph B 1) undergraduate credits accumulated beyond the master's degree for the purpose of qualifying for the next level on the salary schedule shall be credited toward the attainment of that level if 1) earned at an accredited college or university, 2) in a program of study reasonably related to the teacher's assignment in Torrington, and 3) approved by the Superintendent.

**C. Increments**

- 1) Each teacher not already at the maximum salary on the schedule shall receive, upon satisfactory performance, one increment in the 2018-19 and 2020-21 years. There shall be no step increment in the 2019-20 year. Provision for a teacher who moves from one level to the next is made under the section on Basis for Advancement.

- 2) Year for year credit, not to exceed two years, for active military service is granted on the salary schedule to each teacher provided said teacher has not previously received such credit in this system. No fractional year credit will be allowed for active military service.
- 3) Teachers who fill a position for which they are qualified, and teach one-half (1/2) of the school year in the Torrington district, shall, if hired the following year, move to the next step of the appropriate level.

**D. Placement For New Hires**

The Torrington Education Association and the Torrington Board of Education agree that all new hires with the exception of psychologists, speech language pathologists and state designated shortage areas, will be placed no higher than Step 5. All psychologists, speech language pathologists and state designated shortage area new hires will be placed no higher than one step below a TPS employee with equivalent experience. This placement will be made regardless of previous experience in or out of employment in Education. This agreement does not limit range (Level) based on training.

To insure compliance with this Article, the Association shall be provided with a list of new bargaining unit hires and their contact information on or before October 1. The list will include salary, step and lane for all new bargaining unit hires. Additionally, the Association shall be notified any time a long-term substitute has been in an assignment for forty (40) consecutive days.

**E. Basis for Advancement**

- 1) **Level One**  
A teacher must have a Bachelor's Degree.
- 2) **Level Two**  
A teacher must have a Master's Degree or have completed 30 credits in a specialized Master's Degree Program.
- 3) **Level Three**  
Beyond the requirements of Level Two, a teacher must have 15 credits in a planned graduate program or have completed 45 credits in a specialized Master's Degree Program.
- 4) **Level Four**  
A teacher must have completed a planned graduate program beyond the first Master's Degree or have completed a specialized 60 credit Master's Degree Program.
- 5) **Level Five**
  - a) Teachers hired prior to July 1, 2015 and hold a doctorate degree shall be compensated, beyond the step and present level of salary, at the rate of \$2,500.
