

École Publique Rideau Public School

At Rideau Public School, we believe in the power of our community to nurture, support and inspire limitless learning for all

SCHOOL GOALS 2019-2020

LITERACY

- Students will read and write increasingly complex texts every day in authentic contexts, in the language of instruction.

NUMERACY

- Math: We will continue to increase student achievement in Number Sense and Numeration by improving students' ability to solve, communicate, and represent their solutions to a variety of authentic problems.

SCHOOL CLIMATE

- We will increase students' resilience and well-being through a focus on positive relationships within our school community.

STRATEGIES

Literacy

- Effective Formative Assessment more than grades
- Focus on 3 aspects of reading: decoding (Code Packs & phonics), fluency, critical thinking
- Daily, rich meaningful writing tasks
- Learning Goals and Success Criteria
- Integration of Literacy across the curriculum
- Authentic, relevant tasks
- Focus on French vocabulary development

Numeracy

- Use of Timely, Descriptive Feedback
- Number Talks/accountable talk/Flex 15
- 3-part lesson design
- Collaborative Problem-solving approach to rich, open problems/tasks
- Spiraling of concepts throughout year
- Attention to the literacy in math (vocabulary, reading problems, communicating thinking)
- Increase Parental capacity and involvement in math (Family Math Night)

School Climate

- Focus on student-student relationships (Respect, Kindness, Wellness)
- Colour House program
- Opportunities to develop Sense of Belonging (i.e., extracurriculars, learning buddies, etc.)
- Early Intervention and Support (use of Progressive Discipline, Zones of Regulation, emotional literacy, referral to School Support Counselor, collaboration with parents and community partners)
- Ongoing connections with parents and communities
- Staff Wellness focus

They can who think they can – Si on veut on peut

Wellness, Innovation, Collaboration.
