

Section: Narratives - Program Description

INTRODUCTION

Under the Elementary and Secondary School Emergency Relief II Fund (ESSER II), authorized by the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, the Pennsylvania Department of Education (PDE) awards grants to School Districts and Charter Schools to address the impact that Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools across the state.

Please note: ESSER II funds **cannot** be used for: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the LEAs, or 2) expenditures related to state or local teacher or faculty unions or associations. ESSER II funds generally will not be used for bonuses, merit pay, or similar expenditures, unless related to disruptions or closures resulting from COVID-19.

***ESSER II funds are not Title I funds and as such, are not subject to Title I rules.**

Please explain how the LEA will determine its most important educational needs as a result of COVID-19. (3000 characters max)

York Academy continues to evaluate its educational needs as a result of the COVID-19 pandemic. Originally ESSER-I funds were used to assist with remote and hybrid learning needs, such as digital resources and Internet access peripherals. However, the school transitioned to full, in-person learning in August 2021 and has remained in that status for the 2021-22 school year thus far. Therefore, current needs focus on supporting learning loss, ensuring the safety of students and staff while in the Academy's two buildings, strengthening the network infrastructure, and providing COVID-19 testing to minimize exposure and spread among staff and students.

Please explain the LEA(s) proposed timeline for providing services and assistance to students and staff. (3000 characters max)

York Academy built in ESSER II funds into its 2021-2022 school budget and will use funds for related expenses during the two-year grant period (2021-22 and 2022-23), as outlined in the submitted budget. Funds will be used monthly with occasional one-time outlays or system upgrades and specific purchases.

Please explain the extent to which the LEA intends to use ESSER II funds to promote remote learning. (3000 characters max)

York Academy does not envision using ESSER II funds for remote learning as the school has been in full, in-person learning mode since the start of the 2021-22 school year. In addition, the school does not offer a cyber learning option for any of its students, due to its charter. Should a resurgence of COVID-19 require remote learning, York Academy would shift funding resources to that learning mode, including but not limited to: the purchase and distribution of Internet hotspots; more digital resources for students; food service resources for grab-and-go meals, and; technology devices for staff and students.

Please describe how the LEA intends to assess and address student learning gaps resulting from the disruption in educational services. (3000 characters max)

Student learning loss is evident among more than 50% of York Academy students as a result of the COVID-19 pandemic. Individual student data is still being collected from teachers and will be reviewed. However, York Academy has increased its use of Dibels testing for primary grades (K-2), Fountas & Pinnell (F&P) for grades K-5, MAP for grades 6-8, and CDT for grades 9-12 to better understand and respond to learning loss. Instructional Assistants (IAs) are available in every K-6 classroom and will provide interventions to students demonstrating the greatest need. In addition, four (4) IAs are available to provide support and interventions among students in grades 7-12. York Academy will use ESSER-II funds to ensure an adequate complement of IAs to support and improve student learning, pending the availability of qualified candidates in the local hiring market.

Please describe the LEA(s) proposed procedures for evaluating local COVID-19 impacts in relation to education programming and delivery. (3000 characters max)

Areas of emphasis should include:

- Documenting learning loss associated with extended school closure;
- Outlining the development of local continuity of education plans over the course of emergency response efforts; and
- Detailing supports for vulnerable student populations and families.

As noted, York Academy has been collecting and evaluating data from diverse sources to understand student learning loss as a result of the COVID-19 pandemic. Standardized state PSSA data will be used to supplement available information and could demonstrate areas of need and response opportunities. Special education and other specialized instructors (e.g., ESL, gifted, school counselors) regularly interact to discuss student engagement, achievement, and behaviors, and to outline plans for managing learning loss. Available funding opportunities, such as the ESSER II grant, will be used to provide supports for identified student loss and will be supplemented by similar funding through other sources (e.g., ESSER III Set-Aside).

Please describe the LEA core set of strategies that will be used to guide local investment of ESSER II funding, associated with short-range (i.e., remainder of the 2020-21 school year) and long-range (2021-22 and 2022-2023 school years) timelines. (3000 characters max)

These strategies may entail the establishment, scale-up, refinement, or evaluation of remote learning, as well as strategies for school-based teaching and learning responsive to conditions related to the pandemic. LEAs will be asked to outline how limited, ESSER II funding may support these initiatives and how these funds might interact with other federal funding, including enhanced Title IV flexibility, to ensure strategic and sustainable use of funds.

ESSER II funds will be primarily used to maintain a strong complement of Instructional Assistants (IAs) in each K-6 classroom and approximately 4-6 IAs for grades 7-12. These IAs will provide directed intervention and support to students with identified learning loss. A portion of ESSER III Set-Aside (7.5%) funds has been allocated to provide IAs with supplemental training and

resources to effectively intervene with students. Additionally funds will support the hiring of a Special Populations Coordinator who will oversee and coordinate special education, ESL and gifted programming for York Academy, thus strengthening an area of potentially significant learning loss. Student tutoring options are being explored and, if procured, will be paid out of other funding streams. Knowing that learning extends outside of the school environment, York Academy is also seeking to strengthen community partnerships and parent/family engagement through afterschool/evening programming, when COVID community transmission rates are low.

Please describe specific plans, measures, and longer-term evaluative strategies concerning student learning gaps - as well as opportunity to learn factors - stemming from COVID-19. (3000 characters max)

As noted, specific grade level testing will be used to measure student learning loss and post-intervention growth. Broader standardized testing and charter school achievement requirements will serve as metrics of growth. For example, the % of students who meet projected growth on NWEA Measure of Academic Progress (MAP) in both Mathematics and Reading should increase 5% annually. Other measures may include attendance; behavior incidences; English language growth and attainment; students qualifying for entry into the National Merit Scholarship Program, and; graduates who earning the full IB diploma. Since the York Academy charter school renewal application is for five years, outlined metrics will form a foundation for learning growth and progress through 2026. Strategies will be regularly assessed to ensure anticipated impact and, as necessary, to guide redirection and/or implementation of other strategies.

Section: Narratives - Allowable Usage of Funds

ALLOWABLE USAGE OF FUNDS

Check the box before each intended acceptable use classification your LEA is applying to use ESSER II funds to support.

For additional information on cleaning and sanitizing your LEA, please visit the following resources:

[CDC - Disinfectant Decision Tool website](#)

[CDC - Cleaning Guide website](#)

*If your LEA is spending in an area authorized by the ESEA of 1965, please select option (1), then specify which sub-program(s) will be included by selecting from options "A - L".

- (1) Any activity authorized by the ESEA of 1965.
- (1a) Title I, Part A (Improving Basic Programs Operated by LEAs; Section 1003 school improvement)
- (1b) Title I, Part C (Education of Migratory Children)
- (1c) Title I, Part D (Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At Risk)
- (1d) Title II, Part A (Supporting Effective Instruction)
- (1e) Title III, Part A (English Language Acquisition, Language Enhancement, and Academic Achievement)
- (1f) Title IV, Part A (Student Support and Academic Enrichment Grants)
- (1g) Title IV, Part B (21st Century Community Learning Centers)
- (1h) Title V, Part B (Rural and Low-Income School Program)
- (1i) Subtitle B of title VII of the McKinney Vento Homeless Assistance Act
- (1j) The Individuals with Disabilities Education Act ("IDEA")
- (1k) The Adult Education and Family Literacy Act
- (1l) The Carl D. Perkins Career and Technical Education Act of 2006 ("the Perkins Act")
- (2) Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19.
- (3) Providing principals and others school leaders with the resources necessary to address the needs of their individual schools. See help text for example.
- (4) Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.
- (5) Developing and implementing procedures and systems to improve the preparedness

and response efforts of local educational agencies. See help text for example.

- (6) Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases. (For helpful tips on cleaning and sanitizing your LEA, please visit CDC's website, links are provided in the question text above.)
****Purchases of Personal Protective Equipment (PPE) are allowable, if not already purchased using ESSER.****
- (7) Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency.
- (8) Planning for and coordinating during long-term closures, including how to provide meals to eligible students, how to provide technology for online learning to all students, how to provide guidance for carrying out requirements under the IDEA and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.
- (9) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.
- (10) Providing mental health services and supports.
- (11) Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.
- (12) Addressing learning loss among students, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care.
- (12a) Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction.
- (12b) Implementing evidence-based activities to meet the comprehensive needs of students.
- (12c) Providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment.
- (12d) Tracking student attendance and improving student engagement in distance education.
- (13) School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
- (14) Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.

(15) Other activities that are necessary to maintain the operation of and continuity of services in local educational agencies and continuing to employ existing staff of the local educational agency.

Based on your selections above, please complete the table by identifying categories of usage, and providing a description of how your LEA will utilize the funds. The description has a maximum of 1000 characters.

*For consortium applications, please include a line for each applicable LEA/Usage combination

LEA Name	Allowable Usage of Funds	Description (1000 max characters)
York Academy Regional Charter School	(12) Addressing learning loss among students...	Funding support (salary/benefits) for Instructional Assistants (IAs) to assist with learning loss interventions and direct support for individual students and those in small learning groups
York Academy Regional Charter School	(9) Purchasing educational technology...	Maintenance of internal IT network through 3rd party IT management vendor to ensure an effective infrastructure for student learning and staff management
York Academy Regional Charter School	(14) Projects to improve the indoor air quality in school facilities...	Regular maintenance (filter cleaning/changing) of HVAC equipment in classrooms and other student areas. Funding would support external HVAC vendor and associated supplies.
York Academy Reigonal Charter School	(15) Other activities that are necessary...	Upgrade to existing building-wide announcement system to ensure operability especially in the event of an emergency.

Section: Narratives - ESSER II Fund Assurances

ESSER II FUND ASSURANCES

LEAs that receive more than \$150,000 in CRRSA Act funds will complete quarterly FFATA reports, including the following data: (LEAs receiving less than \$150,000 please select 'NO')

- The total amount of funds received, the amount spent or obligated for each project or activity,
- A detailed list of all projects or activities supported with CRRSA Act funds including:
 - Name
 - Description
 - Estimated number of jobs created or retained (where applicable)
- Detailed information on subcontracts and subgrantees, including FFATA data elements, as prescribed by OMB.

Yes

LEA will, to the greatest extent practicable, continue to compensate its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with section 315 of Division M of the CRRSA Act. In addition, each entity that accepts funds will continue to pay employees and contractors to the greatest extent practicable based on the unique financial circumstances of the entity. CRRSA Act funds generally will not be used for bonuses, merit pay, or similar expenditures, unless related to disruptions or closures resulting from COVID-19.

Yes

The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

Records pertaining to the ESSER II Funds, including financial records related to use of grant funds, will be retained separately from those records related to the LEA's use of ESSER Funds.

Yes

LEA maintains inventory records, purchase orders and receipts for equipment (over \$5,000) purchased, Computing Devices, Special Purpose Equipment (\$300 - \$4,999), and will conduct a physical inventory every two years. Please note: Inventory of equipment purchased with federal funds must be broken out by funding source.

Yes

The LEA will comply with all reporting requirements, including those in Section 15011 of the CARES Act

Project #: FA-200-21-1097
Agency: York Academy Regional CS
AUN: 189670676
Grant Content Report
Elementary And Secondary School Emergency Relief Fund (ESSER FUND)

and section 313(f) of the Division M of the CRRSA Act and submit required quarterly reports to the SEA at such time and in such manner and containing such information as the SEA may subsequently require.

The report must provide a detailed accounting of the use of funds, including how the LEA is using funds to measure and address learning loss among students disproportionately affected by coronavirus and school closures, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care. The SEA may require additional reporting in the future. (See also 2 CFR 200.328-200.329).

Yes

Any LEA receiving funding under this program will have on file with the SEA a set of assurances that meets the requirements of section 442 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232e).

Yes

To the extent applicable, an LEA will include in its local application a description of how the LEA will comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a). The description must include information on the steps the LEA proposes to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program.

Yes

Section: Narratives - ESSER II Reporting

USES OF FUNDS

LEAs may be required to track the following expenses if they were selected in the Usage of Funds section.

- Purchasing educational technology (including hardware, software, and connectivity), which may include assistive technology or adaptive equipment
- Activities focused specifically to addressing the unique needs of low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth
- Providing mental health supports and services
- Sanitization and minimizing the spread of infectious diseases, including cleaning supplies and staff training to address sanitization and minimizing the spread of infectious diseases
- Summer learning and supplemental afterschool programs
- Other (uses of funds not included above)

I understand that I may have to report on the requirements listed above.

Yes

HOME INTERNET ACCESS

LEAs may be required to report on the types of services provided if funds were spent on home internet access (purchasing educational technology which includes connectivity) for students. Types of services may include any or all of the following:

- Mobile hotspots with paid data plans
- Internet connected devices with paid data plans
- District pays for the cost of home Internet subscription for student
- District provides home Internet access through a district-managed wireless network

I understand that I may have to report on the requirements listed above.

Yes

LEARNING DEVICES

LEAs may be required to report on the number of students that received devices per grade span (elementary vs. secondary) and the proportion based on total enrollment if funds were spent on learning devices for students.

I understand that I may have to report on the requirements listed above.

Yes

STUDENT PARTICIPATION AND ENGAGEMENT

LEAs may be required to report on all methods used to document student participation and engagement during remote learning if funds were used to develop, initiate and/or implement remote learning. Methods may include any or all of the following:

- Submission of assignments
- Participation in assessments
- Tracking student logins to online learning platforms
- Participation in individual coaching or check ins
- Participation in email, text or other electronic communication
- Participation in help lines or hot lines for help with remote learning
- Participation in synchronous online classes
- Other

I understand that I may have to report on the requirements listed above.

Yes

FULL TIME EQUIVALENT POSTIONS (FTE)

LEAs may be required to report the number of full-time equivalent (FTE) positions employed in the LEA. *(The number of FTE positions includes all staff regardless of whether the position is funded by Federal, State, local, or other funds—and equals the sum of the number of full-time positions plus the full-time equivalent of the number of part-time positions.)*

I understand that I may have to report on the requirements listed above.

Yes
