

SPENCERPORT CENTRAL SCHOOL DISTRICT

Digital Equity Survey

Dear Parent/Guardian:

Collecting accurate data regarding digital resource access for our New York students will greatly help educators to better serve their students and families. In order to accomplish this, the New York State Education Department is asking parents or guardians to complete a Digital Equity survey (for each student in the family) in grades Kindergarten – Grade 12. This survey will provide information on student access to devices and internet access in their places of residence. To assist us in this process, please answer each question below by circling the correct response and returning the survey to the district registrar. Please complete this survey for each child that you are registering in the Spencerport Central School District. Thank you for your time and cooperation.

Student Name: _____ Date: _____

School: _____ Grade: _____

Question 1: Did the school district issue your child a dedicated school or district-owned device for their use during the school year? All students in grade 1-12 will issued a dedicated device.
