August 2022

Dear Parents and Guardians,

I hope this letter finds you and your children doing well and enjoying the summer. We are busy getting the building ready for the upcoming school year.

In an effort to get students headed in the right direction, the building will be open on August 30th and August 31st for our annual grade level orientations. At orientation, students will receive their schedule, have their school picture taken, and have the opportunity to tour the building. This year, our 6th grade orientation is scheduled for Tuesday August 30th and our 7th and 8th grade orientations are scheduled for Wednesday, August 31st.

Please refer to the schedule according to your student's grade level. Students coming in for orientation **must be accompanied by an adult**. In order to complete the tasks below, please take as much or as little time as needed with your student. Teachers are not available during these orientations.

Grade 6: Tuesday, August 30, 2022 from 8:00 a.m. – 11:00 a.m.

Grades 7 and 8: Wednesday, August 31, 2022 from 8:00 a.m. – 11:00 a.m.

Before you leave:

1. Have your picture taken & receive your ID!*
2. Receive your schedule and locker information
3. Organize your locker, tour the building, and walk your schedule

*All students will have their ID photo taken even if they are not purchasing photos. Flyers with picture information are attached to this email.

ALL STUDENTS will be having their SCHOOL PICTURES TAKEN ON ORIENTATION DAY and will be receiving their ID AT THAT TIME!

Upon arrival, **please park in the lot near the soccer stadium and enter through door 18**. Please proceed to gym 2 to begin orientation. In gym 2, your child will receive their schedule. There is also demographic information that parents will need to confirm. In gym 1, students will have their ID pictures taken as well. Once this is complete, you are free to tour the building.

Our Mission is to educate and inspire each student to love learning, pursue excellence and use knowledge, skills and attitudes to contribute respectfully and confidently to an ever-changing global community.

Each child at Cosgrove receives a District provided computer. The District offers an insurance plan that is available for families. Parents or guardians of students in all three grades must determine whether or not they want to purchase the protection plan that would allow any damage or repairs to be done at the cost of a deductible. Please refer to the Spencerport Schools website for more information.

This year, 7th and 8th grade students will have their computers and charge cords inspected during advisement. The 7th grade students will have their inspection on September 13, 2021, and 8th graders will have their inspection on September 14, 2021. Students in 6th grade will receive their computers during the first week of school. No students should bring their computers to orientation.

Everyone will be able to access Infinite Campus again in September and this is a great way to communicate with teachers, monitor grades and assignments. 6th grade parents will be mailed a password in late August. For more information on Infinite Campus, please call Mrs. Linda Sauter at 349-5324.

On our website you will also find a copy of the student supply list to help you get a head start on back to-school shopping. Enjoy the rest of your summer and, as always, please do not hesitate to contact us with any questions you may have at 349-5302 or 349-5340.

Sincerely,

Jim Centola
Cosgrove Principal
