## Attendees:

Strategic Planning: The team spent a few minutes reflecting on the strategic planning meeting that was held at the end of September.

## Good of the order:

- Vacancies: Taylor has been able to support all homeroom and special area teacher vacancies. When necessary, certified TAs will be asked if they would like to cover the vacancy and then interventionists will be assigned by alphabetical order.
- Friday, Oct. 7 Conference Day: The schedule has been released to all units. If you have questions, please see Telcie. Most units begin at the High School and then return to their home buildings for department focused work.
- October 13 Open House: 6-7:30pm Homeroom teachers are encouraged to create a scavenger hunt or system to encourage families to visit other locations around the building. PTO will have a table, Book Fair will be in the PAC.
- November 4: STEM focus for the half day. This is a team leader release day which allows for our special area teachers to assist in coverage. PTO has arranged assemblies:  
Prek-2: 9:30-10:05  
3-5: 10:15-10:50  
Dismissal will begin 11:40, aim for buses to depart at 11:50.  
Afternoon work will be grade level/content specific  
Planning to begin at 2:50

Action on the Building Plan: The team discussed and documented the steps that have been accomplished toward our outlined goals.

- Survey was sent about learning walk and sign painting: 34 responses
- Classes have begun connecting with their buddy class
- MTSS Behavioral Tiered Systems Update: Telcie
