I know that my sophomore/junior/senior student may be leaving the high school building at times and doing this on a regular basis several times a week to tutor/mentor in another building as part of their A+ qualifying process. I know my student will be finding his/her own transportation to go directly to and from this other school building and will return to the high school when they are supposed to. I assume responsibility for any action pertaining to student volunteer from the time student leaves school until reporting to the service organization.
