1973 LHS Football Team

The Louisiana High School Football Team of 1973 would finish the season undefeated with 8 wins, 0 losses and 1 tie. This team was coached by Hall of Fame Coach Jim York and Coach Les Viehmann (whose 1977 football team was inducted last year). The Bulldogs would begin the season by pounding Van-Far 52-0. In Week 2 the Bulldogs would handily take care of Palmyra 30-0. In Week 3 the Bulldogs would beat Mark Twain 28-2. In Week 4 the Bulldogs would shut out our Pike County rivals Bowling Green 30-0. The Bulldogs would play South Shelby on Homecoming for their Week 5 game as tie the Cardinals 12-12. In their Week 6 game, the Bulldogs would hammer the Macon Tigers 56-13. For

their Week 8 game, the Bulldogs would take care of Highland with ease beating them 41-6. The Bulldogs would pass a tough test in Week 9 by defeating a tough Centralia team 14-0. The Bulldogs would end their season with a "leave no doubt" victory over the Monroe City Panthers by a score of 54-7. Over the course of this season, the Bulldogs would outscore their opponents 317 to 40. So over 10 games, the Bulldog Defense would only give up only 40 points. The Bulldogs would be the Clarence Cannon Conference Champions for the 1st time since 1949. The only sad thing about this season was that by some weird formula created by MSHSAA, the Bulldogs were left out of the playoffs. But we all know that this is one of the best football teams LHS has ever had. This team still holds the record for most rushing yards in a season, total yards in a season, yards given up on defense in a season, offensive points scored in a season and defensive points allowed in a season. Congratulations players and coaches.
