Dear Franklin Borough School Families and Staff,

This letter is to inform you that I have been notified that two Franklin Borough School students have tested positive for COVID-19. All close contacts of these students have been contacted and will quarantine.

Franklin Borough School is in communication with the Sussex County Department of Health, and all protocols are being followed.

Please continue to be vigilant and cautious with your activities. If your child, or anyone else in your household, has any COVID-like symptoms, your child should stay home from school. If you believe your child may have COVID-19, contact his/her primary care doctor for instructions.

Please know the health and safety of our students and staff remains our priority. You may reach me at 973-827-9775 ext. 7212 or via email at jrgiacchi@fboe.org if you have any questions.

Thank you for your continued support.

Stay well,

John R. Giacchi
