

**Activity Passes**

It shall be the policy of the School Board to issue Earlham Activity Passes to any resident of the Earlham Community School District, upon their request, who are over 65 years old. This pass will be accepted as admission to any school activity sponsored by the Earlham Community School and held at the Earlham school building or site.

The passes are valid only for the person whose name appears on the pass and may not be transferred to any other person. The pass will be considered invalid if the person fails to show proof of identity upon request. The School Board reserves the right to terminate the use of these passes.
