### **Gratuities to Personnel**

The cost of service personnel furnished by the school will be assessed to the party or parties engaging the use of the facilities. Such costs will be in line with the school's normal operating costs and will be administered in keeping with the general policies governing the use of school facilities.

The superintendent will assign school personnel to supervise the use of the facility. Said non-certificated employees will be paid at 150% of base hourly rate. Other employees will be paid at rate set by the superintendent.
