

## Tobacco, Alcohol and Drug Free Environment

The grounds, buildings and vehicles of the district are tobacco, alcohol and drug free, including the use of look-a-likes where the original would include tobacco or nicotine. Persons failing to abide by this request are required to extinguish their smoking material, dispose of the tobacco, nicotine or other product or leave the school district premises immediately. This policy applies at all times, on all district premises and at all activities, including non-school- sponsored events.

All students and school personnel are expected to comply with this policy. Visitors failing to observe this policy will be asked to leave the district premises.

It is the responsibility of the district administration and school personnel to enforce this policy.
