Dear Mr. Zimmerman:

It is my pleasure to recognize Manitou Springs School District 14 as a leader in energy efficiency in government facilities through your performance contracting project. The Governor's Office of Energy Management and Conservation invites you to attend a reception at the Governor's Residence to recognize state and local governments that have used innovative and effective ways to improve energy efficiency and reduce costs.

I invite you to accept an award as "Energy Champion" for spearheading and overseeing the effort and have also invited Mr. Roy Crawford to accept the award on behalf of Manitou Springs School District 14.

We hope you can join us at this event.

Sincerely,

A handwritten signature in cursive script that reads "Drew Bolin".
