

## Weekly Update—Friday, February 18, 2021

### New Updates:

1. **Inclement Weather.** In the event that there is a need to cancel school tomorrow, virtual Parent/Teacher Conferences will continue to happen during the designated times (as currently scheduled).
2. **Parent/Teacher Conferences—February 18 & 19.** We are shooting for a goal of 100% of parents participating in our upcoming Parent/Teacher Conferences. This is an important opportunity for student-led conferences and a time to connect.
3. **Schedule for Returning Middle School and High School Students to Fully In-Person Learning.** We are looking forward to more students returning to full in-person learning starting next Monday.

### **Monday, February 22**

- 7<sup>th</sup> and 8<sup>th</sup> Grade Students will return to fully in-person learning.
  - 9<sup>th</sup> and 10<sup>th</sup> Grade Students will return to fully in-person learning.
4. **COVID Update.** We had an uptick in the need to quarantine students and staff this week. In fact, there were four positives at MSHS. The impacted individuals are currently in quarantine. It is important to share this information only to communicate that circumstances can change quickly. We need to remain proactive when it comes to maintaining best practices, especially when it comes to gatherings outside of school.
    - Staying home when a person is sick.
    - Staying home when a person has been in close contact with someone who is being evaluated for COVID.
    - Wearing a mask.
    - Washing hands frequently.

**We appreciate the continued communication and collaboration with students, staff, and families.**
