UPES Instructional Rounds
Twice a year, UPES participates in Instructional Rounds, when an entire day is devoted to observation and feedback. All teachers were able to observe one to three colleagues.

MSHS Flight Simulator
Physical science students interacted with Air Force cadets as they learned about a full-size glider set up in the gym and experienced the corresponding flight simulator.

MSES/UPES Robotics Team
MSES and UPES joined forces to be the first elementary Robotics team of 38 regional teams to place in the Top 10. Let’s hear it for the No. 3 finishers!

MSES Washing Dishes
MSSD14 leadership pitched in and helped wash dishes at MSES. Thank you for your help and support!

MSES Girls on the Run
Girls on the Run team had its end of the season 5K on Saturday, Nov. 19. They braved the cold, and all the girls finished! Way to go, team!

IMPORTANT DATES
LATE START WEDNESDAYS:
Dec. 7
WINTER BREAK:
Monday, Dec. 19-Wednesday, Jan. 4

MSMS “M”
The entire school united as the Manitou “M” during an advisory period. Our eighth grade journalism students organized this celebration for our school community. Go Mustangs!
