To the parents of Manitou Springs School District 14,

We are so excited to offer **Meal Viewer!** This online menu service provides a quick and easy way to view our school's daily menus.

MealViewer provides:

- **Convenience** - Available **24/7 on the web** or through our **mobile app** for your smartphone.
- **Safety** – Create profiles for your students and select their allergens. Get alerts each time that allergen is on the menu!
- **Fun Feedback** – Let students favorite and rate certain meals so that we ensure we are serving meals they enjoy!

Signing Up is easy!

1. Go to schools.mealviewer.com or download the mobile app and register for a free account.
2. Create a profile for you and your students by first selecting their school.
3. Set up your student's profile by selecting the appropriate allergens and let them favorite their most loved meals. Now you will receive notifications every time any of these are served!
