

ADHD Program

This program is for children diagnosed with ADHD and uses evidence-based treatments in order to provide positive outcomes for the children/teens and their families.

Groups have multiple start dates throughout the year. Talk to your child's therapist for more information or call our Contact Center at (719) 572-6100.

Groups include:

Incredible Years (children ages 2-8)

Dino (children ages 3-4 and 5-7)

123 Magic (parents)

Defiant Teens/Collaborative Solution Problem (parents and children/teens)

Beyond Consequences (parents)

Emotional IQ (parents and children)
