

Mission Statement:

As part of the Whispering Meadows Community, our school encourages students to become lifelong learners by providing a challenging and safe environment where all students can grow academically, socially, emotionally, creatively, and physically.

Education:

I graduated from Purdue University in May 2014 with a major in Elementary and Special Education, a minor in Global Studies, and a reading endorsement.

Experience:

This is my fourth year teaching at WMES, but not my fourth year at this school. I actually attended elementary school here!

Family and Hobbies:

I got married last school year to Steve, who is a pilot in the Air Force. We built a house and moved in over the summer. We also added two furry members to our family over the summer named Amelia Earhart and Ms. Frizzle. ☺

My mother, Cathy, is the preschool coordinator here at WMES, and my father, Todd, is the director of the McCracken Basketball Camp. My older sister, Rachel, is a doctor in psychology, and my younger sister, Grace, is attending Northwood University and is playing basketball there.

In my free time, I enjoy running, reading, spending time with my family at the lake, and doing Zumba.
