Student Team Assignments

Students will receive their Team assignment on Registration Day. Team teachers may request or require additional supplies, and those will be communicated to students during Team time.

Students should NOT use Adjust-A-Shelf shelving in their lockers, as they distort the shape of the lockers and cause problems for neighboring lockers.

Items that will be available for purchase at Registration include the 2022-2023 Yearbook, PE Shirts, Daily Planner, and Athletic Passes (a single pass with 10 punches).

After registering, you will receive a fee statement in the mail with payment due in November.
