# Week One June 24<sup>th</sup>-July 2<sup>nd</sup>

## **American Girl Doll Club- Girl of the Year Joss, Gr. K-5, Mrs. Sommer Fee \$115 (Class Fee \$105 + Supply Fee \$10)**

Introducing....Joss Kendrick! A girl who enjoys catching a wave any chance she gets. Joss is this year's American Girl Doll of the year. Joss's brother dares her to try out for the cheer team but she's never cheered before. Join this exciting summer enrichment as we spend each day getting to know what it's like in Joss's world. We'll learn the basics of surfing (on land of course), create our own cheer routine, and even make some fun surf inspired sweets. We will end our last session by showing off our cheer routine. The girls are invited to bring an American Girl Doll (or any doll) with them each day to share in the fun. Don't miss this amazing enrichment as we enjoy this week of food, fun, and friendship!

## **AWESOME ART MESSY=FUN, Gr. 1-6, Ms. Sylvester Fee \$110(class Fee \$105 + Supply Fee \$5)**

Calling all AWESOME ART STUDENTS in grades 1<sup>st</sup> – 6<sup>th</sup>. Would you like to use fun art materials and use your creativity to make some fun art projects? If you answered YES, then this class is definitely for you! Please join me for a creative fun time! Please bring a "NUT-FREE" SNACK!

## **Cooking Around the World, Gr. K-6, Mrs. Anderson Fee \$110 (Class Fee \$105 + Supply Fee \$5)**

Get ready to "travel" the world as we taste new flavors and create delicious recipes! We'll learn about cooking around the globe, including pastries and sorbet from France, pasta and cannolis from Italy, tacos and quesadillas from Mexico, and ice cream from around the world! Grab your passport and let's get cooking! INut free recipes

## **Mo Willems Author Study- Gr. K-1, Ms. D'Annunzio Fee \$110 (Class Fee \$105 + Supply Fee \$5)**

Have you ever read every single Elephant and Piggie book there is? Did you let Pigeon drive the bus? Mo Willems has been delighting young readers like you for many years with his books like Knuffle Bunny, Don't Let the Pigeon Drive the Bus, and his popular Elephant and Piggie series. These stories are full of personality and we will make these books come alive through interactive reading, expressing ourselves with creative art projects, and laughing all week with delightful games. Come and join the fun!

## **Mr. Whalen's Super Fun Sports and Games Class Gr. 6-8 Fee \$105**

Kick off the summer of 2020 the right way!!! Do you like to play outside? Enjoy breaking a sweat in the gym? Or just looking for something fun to do this summer? Then this is the class for you!! Valleyview Phys Ed teacher Mr. Whalen's popular summer sports and games class is back for another summer of fun. Come one, come all!! This class is geared towards incoming 6th graders as well as 7th and 8th graders who enjoy playing their favorite elementary and middle school games. Whether it's basketball, flag football, soccer, wiffleball, kickball, pinguard, capture the pins, wall ball, capture the flag, melt, etc. this class appeals to all students and allows them to choose the activities. Got an idea for a game? All are welcome. Let's have some fun!!!

## **Ms. Johnson's Lego Class, Summer 2020! Fee \$115 (Class Fee \$105 + \$10 supply fee)**

Have fun with Ms. Johnson and kids who love to play with Legos. Boys and girls in grades K-6 are welcome. Every participant will get a new LEGO set, and play with hundreds of LEGO pieces throughout the week. Don't miss out on the LEGO fun when Ms. Johnson brings in her Cargo Train for everyone to operate. In case you don't know who Ms. Johnson is, she is a Valleyview Science teacher who loves LEGOs so much she always has one on her Christmas List. Come make new friends while you play with your favorite toy. Snacks will be served.

## **Week Two July 6<sup>th</sup>-9<sup>th</sup>**

### **Eric Carle Author Study- Gr. K-1, Ms. D'Annunzio**

**Fee \$110 (Class Fee \$105 + Supply Fee \$5)**

From "Brown Bear. Brown Bear" to "The Hungry Caterpillar" and "The Grouchy Ladybug" Eric Carle has created stories and illustrations that have fascinated students like you for generations. And now it's your chance to dive into these colorful stories yourself! Through creative crafts inspired by Eric Carle, games, imaginative play, students will explore these books as well as other Carle classics. I hope you will join the fun with me this summer!

### **Good and Gross: Gr. K-5, Mrs. Kolk**

**Fee \$120 (Class Fee \$105 + Supply Fee \$15)**

Join me, if you dare, for another round of gross discoveries that are really quite good! Bet you never knew what disgusting things lurk inside us that have great purpose! It will probably be a bit messy as well as surprising.

### **Masterchef Jr., Gr. K-5, Mrs. Sommer**

**Fee \$115 (Class Fee \$105 + Supply Fee \$10)**

Do you love to cook or bake? Maybe you enjoy helping mom or dad in the kitchen. Well now YOU get to be the chef. Students will learn how to read a recipe, use common kitchen tools, and make their own breakfast, lunch, dinner, and dessert...all on their own. Each day will be a new meal. They'll make everything from omelets and pancakes to delicious desserts. No experience is necessary. Aprons are encouraged. So join us and learn how to become a Masterchef! (This enrichment may include certain food with allergens such as nuts and gluten.)

### **Spa Party Week!, Gr. K-6, Mrs. Anderson**

**Fee \$115 (Class Fee \$105 + Supply Fee \$10)**

Who is ready to spend a week at the spa with friends? We will start by learning how to make various soaps, bath jellies, lip balm and bath fizzies. Then we'll relax with some fabulous day of mani and pedis along with cucumber facials! There will be time to decorate our very own spa cookies, make homemade lemonade, and get creative by decorating flip flops and creating bracelets!

### **Summer STEM-Grades 3-6, Mrs. Zeleny**

**Fee \$110, (Class Fee \$105 + Supply Fee \$5)**

This class is for everyone who likes to build, imagine, create, and have fun with friends! STEM projects are a great way to be creative and compete in hands-on challenges with other people! STEM activities incorporate science, technology, engineering, and math, but most of all, are simply fun ways to think outside the box! We will compete in exciting challenges, such as using just spaghetti and marshmallows to build the tallest tower possible, making the longest paper chain with just a few pieces of construction paper and limited tape, designing paper airplanes to figure out which can carry the most weight, and creating and testing pom-pom launchers to see which design will launch the highest. Join us for friendly competition, an opportunity to explore and build, and for days of playing with your friends!

## **Week Three July 13<sup>th</sup> – 16<sup>th</sup>**

### **Kindergarten Preview, Gr. K, Miss Reichhard**

**Fee \$105**

Are you looking for some fun, while taking a break from the sun? Then Kindergarten Preview is just the one! Let's beat the first day of school with something really cool. Letters, numbers, coloring too - cutting and gluing - are some of the things we like to do! Come meet some friends and listen to a story, Kindergarten is full of smiles, there is no need to worry!

### **Let's Invent!, Grades K-8, Ms. Teschemacher**

**Fee \$105**

Are you a problem solver who loves to think of new ideas? Unleash your creativity and let your imagination run free in "Let's Invent!" where you will get to bring your imaginative STEM ideas to life! Through hands-on activities, we will work together to create brand new inventions, and even make samples of our inventions using recycled materials! Ready, set, let's invent!

### **SLIME TIME, Grades K-5, Ms. Molina**

**Fee \$110 (class fee \$105 + supply fee \$5)**

It's always slime time. This fun and easy crafting craze is about as trendy as it gets. Slime is the latest boredom buster for kiddos and tweens of all ages. The students will be making a 2 different slimes each session. We will have time to create and play with their slime. The students will be able to take home their slime in storage containers so that "fun with slime time" never ends. It is a long-lasting toy. Come and join in on the fun.

### **Summer-Themed Makerspace, Gr. K-6 Ms. Sawka**

**Fee \$110 (Class Fee \$105 + Supply Fee \$5)**

Do you have a big imagination and enjoy being creative? Do you love summer? Then our summer-themed makerspace is the class for you! We will use various recycled materials and household items to create projects daily that could be used in summer, such as birdhouses, planters and games. Makerspace will also foster collaboration and flexible thinking as we will work together and use interesting items to create our projects. You don't need to be artistic! Just have an imagination and enjoy inventing!

### **Sweet Summer, Gr. K-6, Mrs. Zeleny**

**Fee \$115 (Class Fee \$105 & Supply Fee \$10)**

It's finally summer! Let's enjoy all the best things that this amazing season has to offer! We will spend plenty of time outside playing classic games, like tag, 4-square, hopscotch, knockout, and many others. We will also use sidewalk chalk, bubbles, water balloons, and more. Plan to have fun with all of these summer-themed activities while enjoying sweet treats, like popsicles, lemonade, and smores! Join us to make the most of your summer!

### **This is ART???, Gr. K-5, Mrs. Kolk**

**Fee \$120 (Class Fee \$105 + Supply Fee \$15)**

What is "art?" Who says it's art? Can anyone create art? Why is it important? Let's experiment together with a variety of media (paint, clay, pencils, fibers, and found objects) to unleash the artist that lies within!

## **Week Four July 20<sup>th</sup> – 23<sup>rd</sup>**

### **Hoops Basketball, Grades K-8, Ms. Teschemacher Fee \$105**

Are you a kid who likes to be active and play outside? Are you someone who likes to learn new tricks and skills? Or are you looking for a fun way to stay active? No matter your skill level, join this fun basketball class and impress your friends with the new skills and tricks you learn! Join me and let's shoot some hoops together - see you on the courts!

### **Junior Lego Master Builders, Grades K-6, Ms. Molina Fee \$115 (Class Fee \$105 + Supply fee \$10)**

Have fun with other kids who love to play with Legos. Come make new friends while you build extraordinary and intricate models from Lego blocks. You will make your own LEGO designs and get your own set to take home at the end of the week!

### **Kindergarten Preview, Gr. K, Miss Reichhard Fee \$105**

Are you looking for some fun, while taking a break from the sun? Then Kindergarten Preview is just the one! Let's beat the first day of school with something really cool. Letters, numbers, coloring too - cutting and gluing - are some of the things we like to do! Come meet some friends and listen to a story, Kindergarten is full of smiles, there is no need to worry!

### **Ready, Set, FIRST GRADE!, Gr. 1, Mrs. Davenport Fee \$110 (Class Fee \$105 + Supply Fee \$5)**

For students entering 1st grade in 2020-2021

Kindergarten is over, but don't let the summer slump get the best of you! Make sure you are ready for first grade by taking this enrichment class to get some extra language arts and math skills practice through fun games and cool arts and crafts projects! You will be sure to WOW your future first grade teacher in the fall!

### **Shark Week: Gr. K-6, Mrs. Zeleny Fee \$110 (Class Fee \$105 & Supply Fee \$5)**

Shark!!! If you've ever been interested in ocean life and sharks or just like to create new things and have fun with friends, then this class is for you! This class will incorporate STEM activities while focusing on all things sharks! We will learn about sharks, play shark-inspired games (like sharks and minnows), create shark art projects, and watch videos of these amazing creatures, all while looking to better understand them!

### **Snacks and Stories, Gr. K-8, Mrs. Nardone Fee \$115 (Class Fee \$105 + Supply Fee \$10)**

Do you love cooking? Do you love having snacks? Do you love stories? If so, this is the class for you! Each day we will make no bake treats such as fudge, Muddy Buddies, Buckeye Balls, and much more. We will also read amazing books where food plays an important part of the story. At the end of the week you will take home a cookbook with all of the recipes we made.

Let's have some snacking summer fun!

## **Week Five July 27<sup>th</sup>- 30<sup>th</sup>**

### **Aqua Explorers, Gr. K-5, Ms. Molina**

**Fee \$110 (Class Fee \$105 + Supply fee \$5)**

In the class we'll cool off from the warm sun as we play with water! We will explore all the fun that water has to offer! We'll play water balloon toss and sponge brigade water relay races! We'll also design a watercolor masterpiece painting and tie dye a t-shirt!

### **Directed Drawing and Book Making, Gr. K-8, Mrs. Nardone**

**Fee \$115 (Class Fee \$105 + Supply Fee \$10)**

Do you love to draw? Do you love to write stories? If the answer is yes, this is the class for you! Every day will start with Directed Drawing. You will learn how to draw so many amazing things like food, animals, cartoon characters, and much more. Then you will use those drawings to create and write comic books, fantasy stories, and realistic fiction books. You get to choose the types of books you want to create! Let's have some drawing fun in the sun!

### **Kindergarten Preview, Gr. K, Miss Reichhard**

**Fee \$105**

Are you looking for some fun, while taking a break from the sun? Then Kindergarten Preview is just the one! Let's beat the first day of school with something really cool. Letters, numbers, coloring too - cutting and gluing - are some of the things we like to do! Come meet some friends and listen to a story, Kindergarten is full of smiles, there is no need to worry!

### **Ms. Johnson's Lego Class, Summer 2020!**

**Fee \$115 (Class Fee \$105 + \$10 supply fee)**

Have fun with Ms. Johnson and kids who love to play with Legos. Boys and girls in grades K-6 are welcome. Every participant will get a new LEGO set, and play with hundreds of LEGO pieces throughout the week. Don't miss out on the LEGO fun when Ms. Johnson brings in her Cargo Train for everyone to operate. In case you don't know who Ms. Johnson is, she is a Valleyview Science teacher who loves LEGOs so much she always has one on her Christmas List. Come make new friends while you play with your favorite toy. Snacks will be served.

### **Space-Themed Makerspace, Gr. K-6 Ms. Sawka**

**Fee \$110 (Class Fee \$105 + Supply Fee \$5)**

Do you have a big imagination and enjoy being creative? Do you love all things outer space? Then our space-themed makerspace is the class for you! We will use various recycled materials and household items to create projects daily that are related to space such as constellation art, rockets and telescopes. Makerspace will also foster collaboration and flexible thinking as we will work together and use interesting items to create our projects. You don't need to be artistic! Just have an imagination and enjoy inventing!
